Drunk Driving.
Over the Limit.
Under Arrest.

S.A.F.E.

Sure Am Fortunate Experience

SAFE

Here's the story…

And the winner is…

Lessons Learne

- When using spray products, be conscious of overspray and clean it up immediately
- Assure substitute product is appropriate for job at hand
- Consider wearing safety glasses when using aerosols or liquid products
- Flush eyes for at least 20 minutes or longer
  - Practice eye flushing BEFORE an emergency

Lessons Learned

- **Always be conscientious of direction of spray**
- **Never look directly at the nozzle**
- **Buy new pants…**

Next Meeting

- 16 January 2007
- 1000

- 2nd Floor Conference Room, BLDG 90

Poinsettia Pick

QUESTIONS?

Happy Holidays!
